Abstract

Brief overview of my work, summary of what I've done and why it's important.
Doesn't have to be long.
I swear. I'm using double-backslashes here just to fill up the blocks.

Block 3

might have to make the text small for this to work.

Block 4

if you want you can remove me and just replace with empty space might be nice for MHD equations though

Block 5

we could just replace some blocks with pictures though.
or have an entire box contents as a picture.
